Competition news

Congrats to team "The Presleys" who brought home a bronze medal from National Showcase! We are very proud of their accomplishment.

Congrats also to our six skaters who went to the Wichita Mid-Continent Invitational last weekend. Despite their small team size, they put in a close run for the team trophy with their stack of wins.

We send our good luck wishes to Katie, Bailey, and Ryen who will be competing in the Arctic Edge Open in Edmond on August 25th.
