

Skating opportunities Saturday

Club Ice - Another year has flown by! This Saturday marks the last club ice of the season. We are welcoming Learn to Skate members to join us on the ice, so make plans to be there.

Likewise, TFSC members are welcome to join the Learn to Skate end of session celebration that follows after club on Saturday. Don those club jackets and enjoy skating with new and old friends alike.

Board Election Ballots

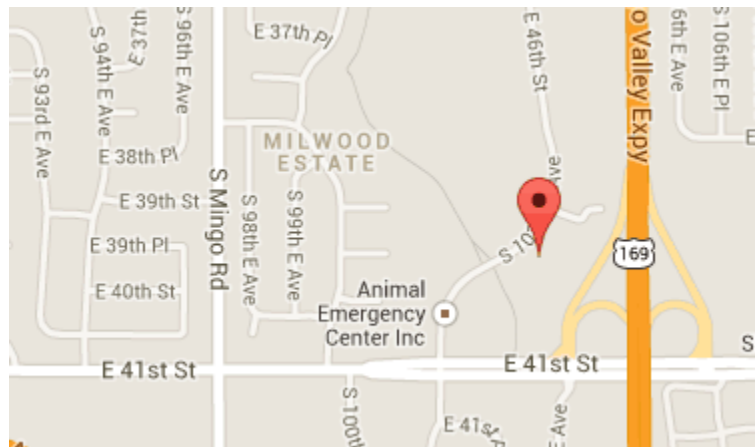

You can drop off your completed board election ballots in a box at club ice this Saturday. There are four positions up for election. A ballot must have EXACTLY four selections made on it to be valid.
