TULSA FIGURE SKATING CLUB AND OILERS ICE CENTER PARTNER WITH COMMUNITY FOOD BANK OF EASTERN OKLAHOMA FOR FOOD DRIVE

Enchanted on Ice – a figure skating showcase and community food drive

Tulsa, OK, July 10, 2014– The Oilers Ice Center in conjunction with the Tulsa Figure Skating Club is pleased to announce a community food drive in support of the Community Food Bank of Eastern Oklahoma.

A showcase of local figure skating talent will be hosted at the Oilers Ice Center on July 26th at 3:45 in the afternoon. The theme for this year, “Enchanted on Ice”, will feature princesses, heroes, villains, and lovable sidekicks in musical favorites from popular animated and fairy tale movies. Donations to the food bank will be collected at the door as admission to the event.

“Figure skating has a long and rich history in the Tulsa area. We are excited to both showcase our sport to the community in a fun and family-friendly event and support a wonderful organization that provides much needed services to the local area at the same time.” - Tulsa Figure Skating Club board member Angie Simants
