ON WITH THE SHOW

July 25, 2014

www.tulsafsc.com

The time for our summer show is here! Coach Jessie can use help on Saturday with setup, handing out programs, etc. The club will also have a table with information. Please be there at 3:15 if you can lend a hand. And remember to bring a food item for the Community Food Bank of Eastern Oklahoma. Can't wait to see all the programs with these wonderful songs and characters that our skaters have been working hard on!

If you can join us for dinner at Fox and Hound after the show at 6pm, please RSVP to [Jessie](mailto:jessie@tulsafsc.com) ASAP.

We will also be taking time at the show to recognize Margaret-Anne Graham-Wier. You might recognize the name from the last Skating Magazine where she was listed as a 50 year judge with US Figure Skating.

A lifetime member of the Tulsa Figure Skating Club, she has many accomplishments to her name. These include being the first Oklahoman to pass a gold level test, several National medals with her brother Hugh, and a fifth place finish at Worlds. Please join us in acknowledging all of her wonderful achievements this Saturday at 3:45.

Taste of Summer success

Thanks to everyone who volunteered at our booth last weekend. We talked to many people about skating, handed out lots of "Give it a try" cards and flyers for our show. We hope to see some new faces at the rink!

Upcoming events

We are trying to get a group together to see **Disney on Ice** during the Tulsa State Fair. If interested, please contact [Jennifer DeAngelis](mailto:jennifer@tulsafsc.com). We'll put a sign-up sheet on the rink bulletin board. Show dates are Thursday, Sept 25 – Sunday, Sept 28.

Next test session is August 23rd. Remember that you can sign up online now. Just look for the EntryEeze link on the right hand side of our home webpage.

We will be taking new orders for club jackets starting at the first club ice in September.

Save the date for our fall Basic Skills competition. Spooktacular is headed your way on October 11th.

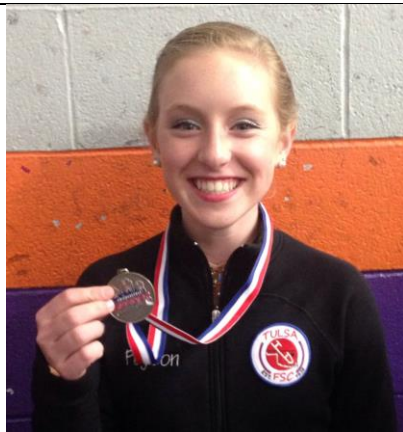

Club ice schedule for 2014-2015

After consideration of many factors, the board has decided to do something different with club ice this year. We are moving to the 1st Thursday evenings, starting with the October session, at 5:45. Evening club ice time has been done in the past with much success. This also puts us right after Learn to Skate on Thursdays and will be a good way to tie in with our local Basic Skills program. While we know this time may not work for everyone, there is no one time that works for all schedules. We do however feel the ability to consistently schedule on 1st Thursdays should help bring continuity to club sessions instead of juggling between freestyles, off-ice classes, and test sessions.

Why does this schedule start in October you may ask? Because we want to kick off the new season in style! So make plans to join us for a combined **club session and cookout on Saturday, September 6th**. After the ice time, we'll be grilling in the parking lot. **P.S. Any grill-masters out there that want to strut their stuff, please let us know!** We'll send out more details as the event approaches.

Recognition corner

Tulsa skater Peyton Lissau shined at the Philadelphia Liberty competition last week. She made final rounds in Intermediate Ladies, finishing 11th out of 75. Way to go, Peyton!

Tulsa Figure Skating Club welcomes its newest members and some returning familiar faces:

- Liz and Sofia Floriani
- Jennifer Hicks-White
- Katelyn Karnuth
- Laurel Newhouse
- Lyla Madden
- Rebecca Owens
