...A Note from TFSC's Treasurer

TFSC Unique in its Support of its Members

Dear Members,

TFSC has a long and rich tradition of skater support. As the TFSC Treasurer, I would like to highlight a few of the monetary benefits of club membership to skaters and their families:

1. Club Ice Subsidy
2. USFS testing and membership opportunities
3. Provision of qualifying competition stipends and annual testing awards

Club Ice is a popular benefit of membership. Using club ice time for lessons and practice pays for the annual membership fees. The Club pays about \$12,000 annually to secure this ice time.

TFSC encourages and supports skater development by providing USFS membership and testing opportunities for its skaters. The Club pays for USFS membership fees, test ice and judges expenses. Tulsa is fortunate to have a highly qualified group of judges who support the Club. These judges volunteer their time and expertise out of their love for the sport. Many surrounding skating clubs are now testing in Tulsa because of the support these judges demonstrate. The Club annually pays approximately \$9,800 to provide testing and membership services. If we had to bring judges in from out of town routinely, this cost would easily double resulting in fewer test sessions.

TFSC realizes the hard work that each skater and his/her family puts into their skating. We also value the well known reputation of TFSC and its skaters. In support of those skaters that compete, TFSC provides stipends to skaters for qualifying competitions and annual testing awards. This year, the Club spent \$3,000 on competition stipends and approximately \$1,300 on awards for testing skaters.

In addition to these benefits each skater has the opportunity to add to their "skater account" by securing community sponsors and participating in fundraising events. This year, the Club reimbursed approximately \$1,400 in skating expenditures for its participants.

I hope this information is encouraging to you as a skating family. TFSC goes above and beyond other skating clubs in its support of its members. Our Club is only as strong as its membership. I confidently encourage all skating families to partner with TFSC in our efforts to support the wonderful sport of figure skating.

Partnering together with you:

1. Cost of membership to TFSC= Pre-pre and above: \$225, Basic skills: \$155, Social: \$45
2. Total subsidies 2009-2010 =\$27,500.
3. Support for the skater and their families= PRICELESS

Thank You,

Julie Rooks

TFSC Treasurer
