

## October Club ice

October club ice is this Saturday, Oct 19, from 10-11AM. Sport your favorite Halloween costume for a fun skating time with fellow club members.

## Holiday show

Sign up now (forms at the rink) to participate in the holiday show on December 14th. Rumor has it there will be some fun group numbers to join in. Group practice starts Saturday, October 26th. Contact Jessie Hudson with any questions.

## Skate America

The competition season leading up to the 2014 Sochi Olympics is underway. Watch the action on home turf this weekend with Skate America, hosted in Detroit. Team USA will field 18 competitors including the reigning US champions in all four disciplines. And for current world ice dance champions and Detroit-area natives Meryl Davis and Charlie White, the hometown advantage is literal!

Watch on NBC this Sunday from 3-5 or streaming live coverage on [icenetwork.com](http://icenetwork.com) starting Friday evening.

## Jackets

We are taking new orders for club jackets. Forms will be available at the rink and online starting tomorrow at club ice. If unsure about what size to order, see if your skater can try on someone else's jacket to find the right fit.

## Other dates

Big Brothers, Big Sisters annual skate event will be **November 30th**. Come help the Littles -- and their Bigs-- share an adventure on the ice.

The next scheduled test session is December 7th.
