We are back to fall schedules and we have that first taste of crisp fall air this last weekend. Here's a recap of our recent events and all you need to know about what's coming next.

Fall fundraiser We will be selling Poinsettia and other holiday greenery as our fall fundraiser this year. Annual membership dues only cover a portion of all our expenses, so fundraising is an important aspect for all our members to keep us thriving. 25% of the profits that each skater makes will go into their personal skater account. The funds in our skater account program can be used for skating related expenses such as new equipment, travel to events, or seminar and competition fees. Check out the forms page of our website if you need additional flyers or order forms. **Orders must be turned in, paid in full, by October 11th to Stacy Reaves.** The plants will be delivered the weekend before Thanksgiving, so plan to pick them up that Saturday morning.

SPOOKTACULAR – October 11th, 2pm

Our fall Basic Skills competition is almost here. Registration deadline is fast approaching. We have new events this year, so check out the announcement. All the details are on our website, including a new **Competition 101 page** for first time competitors. Also, let Jennifer or Angie know if you can volunteer in any way.

Trust us, you'll want to win one of these medals this year--they are spooky cool!

Confirmed vendors include medal engraving, photography, and Cherry Loop.

Club ice schedule for 2014-2015 Reminder that club ice is moving to the 1st Thursdays of the month at 5:45pm, starting in October. Check the website for full schedule.

Tulsa Skaters have HEART!

“Thank you so much for helping us fight hunger! We couldn't do it without great organizations like the Tulsa Figure Skating Club.”

We were proud to partner with the Community Food Bank of Eastern Oklahoma for our summer show. Together we raised 450 pounds of food! That will provide around 375 meals for people in need in our community.

Cold never bothered me...

Many in our skating community participated in the ALS Ice Bucket Challenge last month.

A few ordered theirs with extra ice.

Does anyone think the students enjoyed pouring those buckets on Coach Phyllis a little too much?

Great to Skate Luau and exhibitions, Fall club ice kickoff and hot dog roast

Thanks to all our helpers and skaters for these two events. We had great turnout for both. Despite the rainy weather, our hot dog grill masters prevailed. A few skaters even braved the outdoors for some hula hoop fun.

Competition News

Our competitive team ended the summer on several high notes.

Natalie took 3rd in her initial Dramatic event at National Showcase in California, and 6th in the nation for Teen Dramatic -- way to go Natalie!

Our large showing at the Mid-Continent Classic in Wichita *just missed* winning the Club trophy, coming in a close second. Congrats to Ellie for her 1st place finish in the Intermediate Ladies event.

Also, congrats to Peyton for her recent 3rd place finish in Intermediate Ladies at the Skate Houston Fall Invitational.

Regionals bound

We are proud to be sending three skaters to Southwest Regionals next month in Ft Collins, Colorado. Let's show our support for Ellie, Josiah, and Peyton!
